

# **RITE-SURGE**<sup>®</sup> Engine Protector & Lubrication

## Lead-Free Power Environmentally Friendly

**Delivering the Superior Solution**—RITE SURGE<sup>®</sup> gives you back the power you need. Plus RITE SURGE<sup>®</sup> is an environmentally safe, soft metallurgical product specifically developed for high mileage vehicles. When added to regular engine oil, RITE SURGE<sup>®</sup> repairs and seals groves and other damages to cylinder walls caused by heat, friction and wear. It prolongs engine life and renews power and compression

Rite Surge<sup>®</sup> is compatible with all motor oils, and will not in any way damage engine parts. RITE SURGE<sup>®</sup> is effective in all gasoline engines.

- RENEWS ENGINE LIFE!**
- IMPROVES COMPRESSION!**
- INCREASES HORSEPOWER!**
- REDUCES OIL CONSUMPTION!**

**Tired engine? Tough weekend at the track?**  
Give RITE SURGE<sup>®</sup> a try. Get back the performance you deserve.

**RITE SURGE<sup>®</sup> is environmentally safe**—RITE SURGE<sup>®</sup> is a LEAD-FREE formulation, making it the first fully environmentally safe product for engine restoration and lubrication.
